

NUNA PB CHALLENGE - HOW IT WORKS

The Nuna PB Challenge competition is an opportunity for swimmers of any standard to take part and race against others in the Club.

There are a minimum of 2 and a maximum of 3 PB Challenges held each term

Events

- Events for each meet are listed on the term flyer
- 2 or 3 50m events are available for all swimmers to compete in at each meet
- An optional 100m or 200m event is available for swimmers in the squads listed on the flyer
- Swimmers should only enter one 100 or 200m event per meet
- Where a 25m event is offered, swimmers should only compete in the event if they can not swim the 50m event offered
- All 25m events are swum as encouragement events and will not be timed or have results recorded towards PB Challenge points
- All events are swum as mixed events

Entry Procedures

Club members

- Current registered members of the Nunawading Swimming club must enter PB Challenges online prior to the closing dates published on the flyer
- Entry fees must be paid online while entering the meet
- Online entry is available at www.nunawadingswimmingclub.com

Non- Club members

- Please email sc@nunawadingswimmingclub.com with the swimmers name, date of birth, and events they would like to enter prior to the published closing date
- You will be required to pay for all events entered on the day of the meet

Please note there are no on the day registrations accepted

Meet clashes

- Where a Nuna PB challenge clashes with another competition, the alternate competition may take the place of the PB challenge on that date at the clubs discretion
- In this instance, swimmers who have competed in the other PB Challenges in the same term, who compete in the designated competition, will claim PB challenge points for events swum at the meet
- Events included towards PB Challenge points are at the Intraclub officer's discretion
- Any meets that will take the place of a scheduled PB challenge will be advertised in advance on the PB Challenge term flyer

PB Challenge Points

The following points will be awarded for swims in 50, 100 & 200m events

- 2 pts for first swim in an event
- 2 pts if time swum is slower than PB
- 3 pts if time swum equals PB or up to 1 second faster
- 5 pts if time swum betters PB by 1.00 second or more

Trophies

- At the end of each term the three swimmers in each age group, male and female 8/U, 9, 10, 11, 12, 13/over with the greatest number of points from individual swims, will be awarded Gold, Silver & Bronze trophies
- These trophies are awarded to the swimmers who over the term consistently better their 'Personal Best' times, rather than to the first three place getters
- Trophies are presented to the winners at the first meet of each term for the previous term

David Cook Trophy

- At the completion of the season the David Cook trophies are awarded to the top male and female point scorers from the Nuna PB challenge series at Nunawading Swimming Clubs annual Presentation Evening
- To determine the trophy recipients, points for all individual swims attained at PB Challenges and designated substitute events over the season will be added together for each swimmer who competed in the series
- The PB Challenge swimming season runs from the beginning of term 2, concluding at the end of term 1
- Swimmers must be club members to be eligible to win these trophies
